Bikshapati C

Senior Product Designer

Hyderabad, India

Senior Product Designer with 8+ years of experience designing enterprise web and mobile products across SaaS, FinTech, E-commerce, Healthcare, and B2B platforms. Skilled in UX strategy, user research, interaction design, design systems, accessibility, and product thinking. Proven track record of translating complex business requirements into intuitive user experiences, driving product adoption, and collaborating with cross-functional teams from discovery through delivery. Experienced in stakeholder management, workshop facilitation, mentoring designers, and leading end-to-end product design initiatives.

WORK EXPERIENCE

Antra Info Solutions Pvt. Ltd.

Dec 2025 - Present

Senior Product Designer

- Leading end-to-end UX design initiatives for enterprise web applications.
- Partnering with Product Managers, Engineers, and Business Stakeholders to define product requirements and user experience strategies.
- Creating user flows, wireframes, prototypes, and high-fidelity designs to solve complex business challenges.
- Facilitating design reviews and stakeholder workshops to align product vision and priorities.
- Driving design handoff processes and collaborating with engineering teams to ensure high-quality implementation.
- Contributing to design system improvements and UX best practices across projects.

Enspirit (EnterPi Software Solutions Pvt. Ltd.)

Feb 2022 - Dec 2025
